Advertisement Opportunity!

Paris High School Athletics is looking for video board sponsors for the 2018-2019 Basketball Season. The PHS campus is now home to two video scoreboards with capabilities to take advertising to the next level. The gymnasium is equipped with a video board and we believe that there is no better opportunity in Paris to get your virtual ad seen by thousands of potential customers! This past fall several local businesses used our videoboard to promote their business to the sold out crowds at football games. You can do the same at all of our home Girls and Boys Basketball games. It is a great way to promote your business and support Paris Tiger Athletics.
